

Signed Biographies and Autobiographies

This list comprises those signed biographies and autobiographies which appeared in our last 10 catalogues and of which copies are still available; they are not necessarily the exact items which were in those catalogues, but they are very similar. The first two digits of the number give the catalogue number, the other three the item number.

“Signed” means a signature, possibly with a phrase such as “With best wishes”.

“Inscribed and signed” means that there is a longer inscription, such as a dedication to a particular person, as well as a signature.
